Cost:

Our summer camps will be focused on improving gymnastics skills for students of all abilities. Groups are small enough so that our coaches can work with each child at their level, and will allow the students to train using equipment in the gym that they might not normally get to in our regular gymnastics classes-such as the zip line and bungee.

You may bring the form below by Gymtek on Edgewood Dr to register Monday-Thursdays between the hours of 4pm and 6pm, or mail in the bottom portion.

There is a \$25 registration fee required to hold your spot-which will be credited towards the balance.

We believe that student/teacher ratios are important for safety and learning. Our camps are designed to be small-so spaces are limited. Please call 667-0904 with any questions, or email webmaster@gymtek.com.
