Gymtek's Winter Olympics

Saturday, December 19th

Gymtek's 32nd Annual Winter Olympics is coming on Saturday, December 19th. The students are preparing to perform routines for the program, which is a fun and non-competitive meet format.

Every student who participates will receive:

Winter Olympics T-shirt and Award

Please see attached schedule for performance times. This is intended to be a fun time for students to show what they've been learning. There are different events going on simultaneously (vault, bars, beam, floor, rings) and the event is designed to be non-competitive and fun for ALL of our students. There is no scoring—every child receives an award. At the end of each session, we will have a short demonstration by our competitive teams, followed by awards.

To register, please complete enclosed form and return it along with \$20 to the office **no later than Wednesday, December 9th** so that we can get the t-shirts ordered on time. You may drop it off in the office, or mail it to us if you prefer. **Please make checks payable to GYMTEK COMPETITIONS.**

This event is a lot of fun every year and we hope that you and your family will make plans to join us.

If you have any questions, please call the office at 667-0904 or e-mail us webmaster@gymtek.com. This entire packet is also available online at gymtek.com.

Thank you,
Gymtek Gymnastic Center

PARENTS: We hope you and your family will plan to attend our Winter Olympics on Saturday, December 19th. Please note your child's performance time above, contact us if you have any questions or concerns at **667-0904** or ask your child's instructor. This is a non-competitive "fun meet" for our gymnasts, and a great chance for them to show off the skills they have been working on. Each child will receive an award and event t-shirt. *Please arrive at the time above* so that your child can join their class and stretch with their teacher. If you arrive earlier, please be aware that there may be another session finishing and parking and seating could be difficult until that group clears out. This is why we have a break between sessions. Students will gather at the time above and stretch for 10 min, and then march in to begin performance. After the performance, there will be a brief demonstration from our girls competitive team followed by awards.

***Covid 19 – Please be aware that although we have added an additional performance time this year to help reduce the number of people at each Winter Olympic session, maintaining social distancing is not possible. Our coaches will be wearing masks. While we encourage masks for parents/spectators, we are leaving this up to each individual family. Based on this information, please make the decision on whether or not to participate that is best for your family. By participating, you are assuming and accepting all known risks of Covid 19 associated with participating/attending Gymtek's Winter Olympics.**
